Bianca –

Please see attached our Draft Phase 1B Treatment System Operations, Maintenance, and Monitoring Plan for the NHOU, which we have prepared pursuant to the UAO and as an ancillary document to DDW's 97-005 process. Note that several tables and the appendices are provided as placeholders in anticipation of a revised/final version that will be prepared following completion of the commissioning process.

Please let me know if you have any questions regarding this matter.

Thank you,
